Dear Mrs. Whitney,

Just a few lines to let you know we are all cozy and getting along nicely. Early morning and evening are really grand and I know in a short time the afternoon will be so pleasant. Suppose, because it is just now about pay day, my breakfast is being left out until I have my first salary. I hope I won't have to wait too long.

We went to Mass to stay last Father having was not there. However, Father Thomas was there and he said he had been appointed to be the first home Masses in Patton. The new five center 5000 load was broken by Father during visit to the Mass. I am sure that he will not get disappointed with Father having said so.
