Description
Watercolor on paper. Paper has rough cut edges. Horizontal, long wide watercolor of farm buildings and train or truck stop alongside a road. Farm buildings include 4 structures plus a round water tower tank and tall wind pump. To the left is a large long brown building that could be a train depot or truck stop. A red boxcar on wheels in nearby. A road with post and wire fencing runs toward the colorful farm buildings. In foreground are plants and shrubs in shades of brown, blue, rust and tan. The trees are almost bare, some with dark brown foliage. Tan mountains in background. Pale gray sky. In lower right corner is a red box with "HENRY FUKU HARA" written in 3 lines like a hanko stamp. Below the box written in red is "INYO COUNTY".
