Description

Two page letter written on U.S. Army stationery. First page heading red, white & blue border across top with American Eagle U.S. Army emblem in center. Addressed to My dear friends: In Ireland, the cottages are painted white with turf roofs. Everyone keeps sheep. Each farmer paints his sheep's tail with a certain color so he can tell his flock from his neighbors. The daughter of one of my Irish friends spent two days at the camp here. Our soldier boys here taught her how to jitterbug. Please keep me posted from time to time as to your activities. Love to all of you. Margaret)Sorenson)
