### Description

1 photographic print: b&w; 3-1/2x5" snapshot photo of a single line of evacuees with suitcases all dressed in Sunday best suits, overcoats, hats and women in coats, hats and dresses in front of an Army soldier with helmet but no visible firearm. Appears to be in front of the same building canopy described in 2006.133.1. The

line of evacuees appear to be less than 20, all adults. Waiting for transportation to Santa Anita. Caption on back: "Waiting, SAAC bound, Los Angeles, Calif. April 1942. Registration 120 N. San Pedro."
