

Basic Detail Report

[Handmade bunmawashi (compass) for black lines]

Date

1900-1960

Medium

bamboo, metal, string, horsehair

Description

1 compass : bamboo, metal, string, horsehair ; 4 in.; Handmade bunmawashi (compass) made of bamboo and metal with horsehair (?) paintbrush (2.75 in., 0.875 in. bristles) attached with

string. Bamboo is split and jointed to make the compass; a tiny nail at one end serves as the pivot point. Bristles of the brush form a very fine point; black paint caked on.
