Description

Unframed.;View of seated nude man's back and face as he tilts his head back to face viewer. The body is white, contoured with green, gray and red accents; the face is split between red and green with yellow nose. His eyes are closed as he raises his hands above his head, pink fingernails on right hand. A long, yellow and green hued rectangular form bent at the bottom appears on the right. A black and yellow curved object appears in the upper left corner. The background is purple with green at top and red at bottom.
