Description

Framed and glazed. Image of a several figures along a dirt path of a French village. A large, gray water well with arches (bottom) stands next to a ladder and haystack leaning against the side of a small house. A woman in a blue dress carrying a milk pail walks toward a man (background, left) carrying a basket; the path is bordered by a dark wall and houses. In the background, blends of purple and green form the tree line against a light blue and
