

"French Girl"

Date
1987

Primary Maker
Henry Sugimoto

Medium
Oil on canvas

Description

Stretched. Image of a French girl in a red dress with a cat posed in front of an open window. The girl, whose Caucasian characters are noticeably prominent through her vivid blue eyes, flushed cheeks, and blond hair, is wearing a red sailor dress. A yellow cat is nestled in her arms and she appears to be sat in front of a large window/balcony with a turquoise wall, metal railing, and transparent curtain framing the background.
