Basic Detail Report

Parka Relocation Center, Block 11, Bldg. 7 C, Poston , arizona , May 17, 1842 Dear Johnny fisher bone, Well, here we are in one of the best U.S. Concentration campa as of anno Dimini 1942. I tried to get in touch with you before learning but filming was out. You be, we had to leave an a 48 hr. ratice. Boy of log: but it was heater. Stopping, moting around its I called you on the phone 3 or a time in a row but no go This place isn't so had - not so good wither Its typical and a well land, deant heat, buy, and and a well weaking wind that that winding up around 5 every P.M & aboops hell boat for heather lifting all of migma-dust into one mouth, law, now, threat, ven ud, etc., all at metime - but all in all it' not so bad - we cat regular, so far. The building are constructed out of fore board, terpoper church , into shed like shouting

letter
