

Basic Detail Report

Aug. 3, 1942

Hi Johnny -
Got your letter Saturday & it's
sure a relief cause I thought you'd
quit Brunswick when I didn't receive
your answer. I hope every thing
stay with you. We're doing fine
right now but there's a rumor going
around in camp that we're to be
shipped to Artansas or Wyoming ..
Nobody knows anything about it
but rumors or not we've got our
fingers crossed. I'm still working on
the Army camouflage project so
if anyone are to ^{be} moved, will be
the last to go. Anyways, that's
the words received from our hood
man. By the way, can you get
hold of a Kaywoodie pipe? The
number is 8833. Please send me
^{stating} the price has gone up on it
& all particulars concerning about
it. My pipe broke, but I've still
got the number so I'd like to
get the same model if possible.
If unobtainable, something very
similar will do. I've been playing

letter

Description

A 2 page letter from Frank Kumamoto, Santa Anita Assembly Center, Arcadia, CA. Letter dated 8/3/42 to John Bonomi, Monterey Park, CA.
