

"Rockefeller Building"

Date

1975

Primary Maker

Henry Sugimoto

Medium

Oil, canvas

Description

Unstretched. Image of a vivid street facing the Rockefeller Building in New York. A smaller skyline and street are in foreground, while the imposing structure of Rockefeller Building (dark blue) looms over the buildings: this skyline is in bright shades of lime green, purple, blue, and orange. The street is busy with trucks and cars, and the colors emphasize a vibrant city atmosphere.
