

## Park with Empire State Building

### Primary Maker

Henry Sugimoto

### Medium

Oil, canvas

### Description

Framed. Blue empire state building with tree line and street view (foreground). A red hot dog stand with a multicolor umbrella (bottom right) is parked next to a blue mailbox, and sign post; across the street, a statue of a figure on top of a horse marks the entrance to Central Park - a seamless blend of red, orange, and yellow trees (middle). Several rows of buildings surround the Empire State Building in the background. (See 2015.7.144, 207)
