# **Basic Detail Report**

January 1, 1981 Dear Virginia, It was a pleasant surprize to receive the photos of the old '42 paintings. Its almost 40 years ago and I've forgetten what I had done then. Looking at the photos, I am surprized that, the painting is not so bad, for a vaive, self-taugut painter. ive forgotten most of the people of the "Fort Riley, Kansas - days", but I still remember you, Paul Akana, Mrs. Brown, and Capt. O' connor. It is a coincidence that for the past 6 years, Mrs. Sasaki comes to do my books, is gen's sister, It took me a long time to find that out. For my self and my 3 children - all is stay. Please take care of yourself. thank your again, Matrumi
