Dear Sis,  
How come I haven't  
heard from you? I guess you  
were expecting me to go  
down to Philly. Well, I'll be  
down there this coming  
week-end. I am going by  
way of New York leaving  
Detroit Thursday morn. I'll  
try to wire you about my  
exact time of my arrival.  
Have you heard from home  
yet? Well, one Japanese fellow  
in my drafting class got  
inducted before his two 21  
days were up, within 2  
weeks. So I really don't  
know if I should take a  
chance & try to go home. Our  
work is slowing down
