### Description

One postcard addressed to Molly from June and dated October 1, 1942.; October 1, 1942 Dear Molly- Just a line or two-to say "hello". Please forgive me for not writing any sooner né? Sandie went to Colorado, so did Violet. Kumiko went to Arkansas. I believe I'm headed for Gila, Arizona, if not Colo. Before I continue, how's everyone? (And school?) I'd like to write a letter, but we're packing up, and I can't find a darn thing. I hope you'll understand. Oh yes, we're leaving sometimes be-tween Oct. 17-20th. Kaz, and my parents send their sincere regards. I'll write a long letter, but in the meanwhile, I'd like to hear from you again. I close in haste; with love, June Yoshigai
