Description

(3) page letter to Mas Iwate from Tatsumi Iwate at Camp Crowder, Missouri, on June 11, 1942. Tatsumi writes asking how Mas is, that he will be sending the blueprints Mas has been asking for, that he read in the papers that all Japanese have been sent into concentration camps and some are going to Arkansas to farm, that he is reminded of a year ago when the bad man of Esparto gave them a kick and they carried on with Chinese noodle, cartooning the summer days away in Frisco, that he may be receiving a raise.
